INTRODUCTION

Welcome! This booklet sets out for all participants the events, essential organisation, dates of entry and instructions for making an entry. Throughout the year it is the responsibility of each Principal to monitor their school's participation and to take all practicable steps to ensure that their school participates as fully as possible.

This format allows us all to be forward thinkers, to set up the essential personnel within our school structures to ensure that pupils get the very best in preparation, and to be adequately resourced. Please ensure that sports/cultural coordinators have copies of this book and the year's calendar. For our events to be run effectively, entries must be received by the organising school no later than the closing date. Entries received after the closing date will be accepted only if there are exceptional circumstances.

All schools must be thanked for taking responsibility for organising events and for the information they have supplied for this booklet. Any additional information about specific events can be sought from the organisers of the respective events. The school that will be managing the overall programme in 2018 & 2019 is Berkley Normal Middle School.

Entries will be made by email only.

Each school's entry will be acknowledged by email.

Objectives of our Organisation:

Our mission statement is:

“Excellence through Sport and Culture”

This programme is designed so that it is now possible for multi-talented students to participate in a number of sporting and cultural events. An exciting programme provides for those pupils who have exceptional skills and qualities in the sporting and cultural arenas.

To support our quest for excellence the following points are essential:

1. All teams are to be well coached.
2. Each team must have a manager capable of umpiring/refereeing.
3. Each group of participants and/or team must be correctly attired so that the uniform assists in creating an atmosphere for excellence.
4. That the **Fair Play Code of Conduct** be the basis of all of our sporting engagements.

We are encouraged to be selective in the events to which we commit ourselves. It is imperative that “excellence” is our driving focus. If participants are entered inappropriately into events they cannot be truly competitive in, then it will demean the objectives of the organisation and not be self-enhancing for the participants.

Membership Levies:

The membership fee is normally \$350.00 for Intermediate/Middle School members. The fund will be drawn upon to meet the expenses each organising school encounters when putting on their respective tournaments. Each school will be responsible for meeting the costs of organising their respective tournaments initially, but at the end of the event, should send the appropriate invoices to Berkley Normal Middle School.

Dress code:

It is important that participants look the part. It is ideal that, where possible, teams are clothed appropriately according to the sporting or cultural code in which they are engaged. However, it is appreciated that this places considerable burden on school resources. When it is not possible to be dressed exactly to the code, then the school PE uniform or PE attire, as appropriate to the event, is an acceptable alternative.

Cancellations:

The organising school will send out an email to the two school nominated email address before 7.30am on the day of the sporting event.

Executive Group:

David Cooke, Dale McCabe and Nathan Leith make up the disputes committee for 2018. Any complaints about participant behaviour or non-compliance with the objectives of our organisation are to be directed to this committee. Your concerns will be quickly dealt with and the necessary people contacted. It is important that collectively we set a high standard and then ensure that it is maintained. Please do not hesitate to use this avenue to ensure that the objectives are realised for our participants.

Notification of Changes:

If the school responsible for a particular sport needs to make changes to the format already published, please notify the Principal at Berkley Normal Middle School as early as possible. It is imperative that all schools are informed as early as possible.

Notification of entries:

These will ALL be emailed to the school hosting the event.

Notes for all schools:

1. *Teacher Release Days:*

The Sports Association will only provide teacher release for the school organising the Athletics competition. Two days can be claimed for athletics by sending an invoice and copy of the appropriate SUE information to Berkley Normal Middle School.

It is recognised that other events require schools to release teachers, but this is an expense that must be covered by the organising school.

2. *Reimbursement:*

Associated venue and equipment costs can be claimed by forwarding invoices and a covering letter to Berkley Normal Middle School. The association does not cover the cost of morning tea and/or lunch for support people.

3. *Achievement Certificates:*

Each organising school will be provided with an appropriate number of certificates at the start of each school year. Requests for additional certificates should be made to Berkley Normal Middle School.

4. *Supervision of Teams and Events:*

It is important for the Principal of the organising school to attend the event to monitor the smooth operation, standards and team presentation/preparation. Please keep in touch with your fellow Principals about any issues or incidents needing attention.

It is important for participating schools to ensure that their teams are properly supervised and managed during the entire event.

5. *Preparation of Teams:*

All teams **must** be well prepared, know the rules and be well coached. Remember the mission statement – “**Excellence through Sport and Culture**”.

6. *Uniforms:*

Teams will be well presented. Sports uniforms and tracksuits are required for the sporting events. School uniforms are required for Cultural Events. Principals need to monitor this, as some teams have turned up and played in mufti.

7. *General organisation:*

a) The dates set in the sports calendar are to be adhered to. Cancellation days will not be changed so schools must make sure that they do not arrange other activities on these days.

- b) Each school needs to supply a contact mobile phone number that other schools can ring to check on cancellations. Some schools need to have their students on buses early in the morning.
- c) Please make sure that your teams are adequately supervised

- Pool play games are 20 minutes long, two 10 minute halves with a 1-2 minute half time.
- Semi finals and finals will be 30 minutes long, two 15 minute halves

- In the event of a tie at the end of the semi finals or finals, there will be 5 minutes each way of golden goal time (first to score in that time, wins the game)
- If there is no golden goal at the end of this time, there will be five penalty shoot outs for each team. Most goals scored will win the game. Referees will oversee this, with the guidance of Waikato Hockey who are always present on the day.
- A team list need to be sent to the host school the day before the tournament, so the score cards can be written out before the games start.
- Email and contact phone number to be given to host school in case of postponement in which a call will be made by 7.30 am
- 8.45 am – school teacher and/or coach to meet at this time to go over draw (any changes etc), important messages shared and any questions covered. A number of schools did not make this meeting in previous years and that did cause some problems when the draw changed.
- 9 am games start
- Turf 1 – Pavilion side; Turf 2 – Lake Side
- Pools will be drawn by a random selector online.
- The referee decision is final. Coaches are not to challenge the referee. If a coach breaks the Code of Conduct he will be banned from future competitions.

Equipment:

Guidelines:

Please note – all communication will be to the Teacher in Charge of Netball at each school. The organisers take no responsibility for contacting individual coaches.

Proviso:

- A revised draw for 2018 will involve only teams in the finals playing over 60 minutes. This can be eliminated by the rotation of players.
- There are no restrictions of playing numbers per team. Boys are permitted to play as per AIMS regulations.
- There are to be no more than 3 boys playing per team and each boy must be playing on separate thirds of the court at any one time.
- The rotation of players will be the manager's responsibility.
- Halves played same length as quarters (8 minutes).

Rules:

As of the 1st January 2016, new rules were introduced internationally for Netball. Schools are to ensure umpires, coaches and players are made fully aware of these changes. Visit www.netball.org/netball/the-rules-of-netball

1. All games will be four x eight minutes with a two-minute break at the end of each quarter.
2. Each court will be provided with the game ball – Gilbert netball. This must be used for all games. Teams are to provide their own warmup balls.
3. Teams are to provide their own first aid kit, time keeper and scorer.
4. All games will be stopwatch timed courtside, but will start on the central bell. Team officials shall agree prior to start of the game who is responsible for timekeeping.
5. Official score shall be recorded on the official scorecard – to avoid discrepancies the timekeeper and scorer will sit together (table provided courtside).
6. Points – four for a win, two for a draw, one for a loss by five goals or less. If teams are equal on points after round-robin play, placings will be decided by goal ratio.
7. Sections with 7 teams cross over and play each other, there is no bye so that all teams have had an equal number of games / court time. The score does not count for the cross over game but the game **MUST** be played.
8. In quarters, semifinals and final – if there is a draw at full time, play must continue until one team has a two goal advantage.
9. Injury time – As per international rules. The umpire is the sole official of the injury time taken.
10. Teams will be defaulted if they are not on court ready to play within two minutes of the scheduled start.

Waikato Intermediate Regulation Softball Rules:

(Please note 2 Strikes, 3 Balls and 2 Outs for the Tournament Format)

1. A 'strike' is called when:
 - A pitched ball passes over the home plate and is between the batter's knees and shoulder.
 - The batter attempts to hit the ball.
 - Any ball is hit into foul territory for the first strike.

2. A 'ball' is called when:
 - The pitched ball does not pass over the home plate between the batters' knees and shoulders.

3. Batters:
 - Each player must bat in order as set prior to the game beginning, even if already out. The batter shall wait for the umpire to call 'batter up' before taking their position.
 - Batters are out if the bat is thrown dangerously during a run, or left inside the diamond, or taken all the way to base 1.

4. A ball is a 'fair hit' when it:
 - Settles on fairground anywhere between the imaginary lines extending from home to first base or third base.
 - If a ball is hit into foul territory but bounces or rolls into fair territory before it reaches first or third base.
 - If a ball is hit into fair territory and rebounds off a player into foul territory.

5. A 'foul' is called when:
 - A batted ball settles outside the imaginary lines from home to first or third base.
 - A ball is hit into fair territory and rolls into foul territory before passing first or third base.
 - If a ball is hit into foul territory beyond first or third base and then rolls into fair territory.

6. When a foul is called, the ball is dead and no base runners can run. A Batter is out:
 - When a ball is caught in either fair or foul territory, provided the ball passes over shoulder height when caught in foul territory.
 - After 2 strikes have been called and the ball is caught on the full by the catcher.
 - If they interfere in any way with a batted ball when running to first base.
 - If they do not bat in order.
 - If they 'bunt' the ball on the second strike and it goes foul.

7. Overthrown ball:
 - If a ball is overthrown into foul territory, outside the line from home to first or third base, the base runners may advance only one base.
 - If a ball is overthrown into fair territory, the runners may advance as many bases as they can make.

8. Base runners are out if:
- The ball is held by a fielder while in contact with first base before the runner – there is no tagging. This also applies when a base runner is forced to run to the next base as there is another runner coming onto their base.
 - They are touched with the ball in the hands of the fielder before they reach any base.
 - They leave their base before the ball leaves the pitcher's hands.
 - They leave their base before the ball is caught on the full and do not return to that base before the fielder holding the ball does.
 - Base runners to second, third and home bases must be tagged by the fielder with the ball into their hand prior to the base runner reaching that base.
9. Pitching – rules for normal 'slow' pitching:
- Underarm.
 - Pitchers are allowed to have a 'wind-up' as per normal softball pitching rules.
 - The pitch must come in slowly in an arc. The pitcher must start with and keep one foot on the plate until the ball is released.
 - Strike zone between batter's shoulder and knees
 - No 'fake' pitching.

(a demonstration will be part of the introduction on the day)

10. Game length:
- 30 minutes or 3 completed innings, whichever comes first.
 - If each team has had at least 1 turn at bat the score goes back to even innings.
 - If the team batting first is batting when the hooter sounds that bat will be counted. There will be a count-back to the last completed innings.
 - If the team batting second is batting when the hooter sounds and they are ahead on runs, they win. If they are behind, then there will be a count-back to the last completed innings.
11. Dead Ball:
- Where balls ruled dead (non-playable due to hazards), the batter / base runner is awarded one base in addition to the one they were running at the time.
12. Subs can **ONLY** be made when fielding, the scorer must be notified.
